

# KVIAC - Series

Power distribution blocks for copper and aluminium wiring

# Product-Information

## KVIAC series

- extremely compact design
- DIN-rail-fastener
- fingersafe (protection class IP20)
- terminal cross section: 2,5 - 240 mm<sup>2</sup>
- for copper and aluminium wiring
- access and exit: 1 to 5-times

Poles	Colour	Number of Access and Exit	Cross section in mm <sup>2</sup>	I max. in A		Package qty.	Part-Number
