OUTDOOR LIGHTING

make your
outdoor life
smarter

choose the
colour of
your evening

Convenient & Welcoming

Get your **outdoor lights** to do everything you want and more.

Welcoming light at your front door or on your driveway when you arrive at home.

Showing signs of life at your back door and terrace when you're out of town.

Triggered by your voice, remote or sensor, you'll always have **the right light at the right time.**

a light for
every mood

Take absolute control

LUTEC introduces a range of Outdoor luminaires with the integrated **WiZ connected light** module.

Combining high quality weatherproof aluminium fixtures with endless possibilities to control the powerful LED light.

This first **LUTEC-WiZ connected light** collection contains 9 items covering all your outdoor lighting applications.

a warm
welcome

Comfortable & Personal

Create the perfect outdoor atmosphere for each occasion just like a lighting designer.

The WiZ module enables **endless possibilities**, playing with 16 million colours and 64.000 shades of white.

The scheduled presets & dynamic modes will help you to **automate your outdoor lighting.**
