## S Cable Tray

<b>RLRS 60.100</b>	60x100		0,6	1	1,25	2x3 m
<b>RLRS 60.200</b>	60x200		0,6	1	2,02	2x3 m
<b>RLRS 60.300</b>	60x300		0,75	1	2,56	2x3 m
<b>RLRS 60.400</b>	60x400		0,9	1	3,53	2x3 m

Take the cost out of installation instantly. In today's competitive environment it is essential to reduce the installation costs, therefore the right choice of material is more important than ever.

With the new RLRS cable tray from NIEDAX, installation time is reduced to the minimum without compromise on quality and safety.

The new tray is clicked in and only fastened with one bolt which is included in the delivery.
