KVIAC - Series

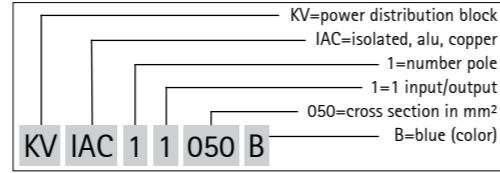

Power distribution blocks for aluminium and copper

KVIAC-Series

Feed-through terminal blocks KVIAC

- extremely compact design
- mounting on DIN rail
- finger safe
- protection class: IP20
- connection cross sections: 1,5 - 240 mm²
- for copper and aluminium cables
- input and output 1- to 5- fach

Part #	No. of poles	Color	No. of inputs / outputs	Cross sections in mm ²		I max. in A.		Max. voltage in V
				single wired	fine wired with AE	Cu	AL	
KVIAC 11016G	1	grey	1/1	1,5 - 16	1,5 - 10	82	75	1.000 AC/DC
